Correspondence**

The High Commission of India wishes to inform that we have noticed several fraudulent email correspondences in which cloned emails of various African and Indian authorities/entities/agencies/companies are being used to defraud Nigerian/Indian companies to wrongly assume the consent/involvement of such authorities/entities/agencies/companies.

2. In view of the above, all Nigerian/Indian nationals or companies are advised to be extra vigilant and take all possible measures to verify the genuineness of any tender or contract awarded to their companies. Kindly see on the Mission website, <https://www.hciabuja.gov.in/queries-on-legal-assi.php> the list of legal firms and Chambers in Nigeria whom you could consult as per your due diligence for establishing further accreditation of the Contract/email offers, etc. as Mission can provide only information available from open sources. As regards the High Commission of India we operate only a few email IDs which are listed on our website, <https://www.hciabuja.gov.in/contact-us.php>.
